ARTICLE XII - HEALTH EXAMINATION

1. A health examination will be required to comply with the educational standards prepared by the Iowa Department of Education:

"12.4(14) Physical examination. Except as otherwise provided in 281-43.15(285), the local board shall require each employee to file with it certification of fitness to perform the tasks assigned which shall be in the form of a written report of a physical examination by a licensed physician and surgeon, osteopathic physician and surgeon, or qualified doctor of chiropractic, licensed physician assistant, or advanced registered nurse practitioner, after an offer of employment is made and before the beginning of service."

All employees will endeavor, in the course of performing the duties associated with their employment, to be alert to unsafe practices, equipment, or conditions, and to report any such unsafe practices, equipment, or conditions to their immediate supervisor.

The District will give reasonable support and assistance to employees in the maintenance of the control and discipline in the classrooms and schools.

ARTICLE XIV - EMPLOYEE EVALUATION

All employees shall be evaluated at least once a year by an appropriate supervisor.

At the evaluation conference a copy of the written formal evaluation shall be given to the employee. Both the supervisor and the employee shall sign the evaluation. A copy of the written evaluation shall be placed in the employee's personnel file.

The employee shall have the right to respond to the written evaluation in writing and have the response placed in his/her personnel file. The employee's signature on the written evaluation shall in no way signify agreement with the evaluation and shall serve only as an acknowledgment of receipt of the written evaluation.

The District and the Association shall, through mutually established committees, write and agree upon an evaluation procedure and instrument.

ARTICLE XV - VACANCIES AND TRANSFERS

A. Definition of Vacancy

A vacancy shall be defined as any position, either newly created or a present position, which the Employer desires to fill.

B. Definition of Transfer

The movement of an employee to a different assignment or building shall be considered a transfer. A transfer shall be considered involuntary only if the employee does not consent to the transfer.

C. Notification

Notice of vacancies will be announced through regular school communication channels and will be posted when school is in session. These announcements will contain this information: job classification, location of work, starting date, rate of pay, hours to be worked, and minimum requirements.

Announcements of vacancies will be posted in the Administration Office when school is not in session.

Employees have three (3) days to apply for the vacancy.

D. Voluntary Transfers

1. Any employee may apply for a voluntary transfer to another assignment. The application shall be in writing to the Superintendent via the employee's immediate supervisor. Applications will remain on file for one (1) calendar year unless withdrawn at the request of the employee.
2. When filling vacancies the District will consider all applicants for a vacancy, both internal and external. The District will grant the position to the most qualified

applicant. If two or more applicants are deemed equally qualified, the position will be granted to the most senior applicant.

3. If a request for transfer is not granted, a conference between the employee and the supervisor shall be arranged if requested by the employee.
4. Upon voluntary transfer, full or partial credit may be given for previous District experience in a comparable position with adequate evidence that such experience was comparable and successful in the judgment of the supervisor.
5. All employees may fill out an application for transfer at any time to be kept on file through the end of the calendar year. Those applications will become active in the event of an opening in a position for which the employee has applied.

E. Involuntary Transfer Procedures

Notice of an involuntary transfer shall be given in writing to an employee at least five (5) days in advance of the transfer. An involuntary transfer shall be made only after a meeting between the employee, his/her supervisor, and, if the employee chooses, an Association representative. At this meeting, the employee will be given written reasons for the transfer.

If involuntarily transferred to a lesser compensated position, the employee will continue to earn his/her current wage. Said employee's wage will be increased by \$.10 per year until the wage of the lesser compensated position catches up to the wage of the employee.

The employee's years of service will carry over to the new position.

ARTICLE XVI - EMPLOYEE REDUCTION PROCEDURES

A. COVERAGE

All employees under this Agreement.

B. NOTIFICATION

If the Employer is contemplating the layoff of any employee(s), it will so notify the affected employee(s) at least fourteen (14) days before the date of layoff. Such notice will be in writing and will include the specific position(s) to be affected, the proposed time schedule, and the reasons for the proposed action.

C. LAYOFFS

If a position is to be eliminated, the Employer shall give notification of layoff to the least qualified employee in that job classification, and if two or more employees are deemed equally qualified, the employer shall lay off the least senior employee.

D. SENIORITY

1. For the purposes of this Article, seniority will be computed from an employee's most recent date of hire in the bargaining unit, and will begin to accrue as of that first day of hire. Seniority will continue to accrue during all paid leaves of absence. Seniority will not be broken by unpaid leaves of absence or employment by the District in a position outside the bargaining unit, but such time will

not be counted in computing seniority. When seniority is equal between or among employees, ranking of those employees shall be determined by the drawing of lots.

2. On or about September 30 of each school year, the Superintendent will provide the Association with a list showing the seniority of each employee of the District.

E. JOB CLASSIFICATION

Each of the following classifications shall constitute a separate staff reduction category:

1. Custodial
2. Maintenance
3. Secretary
4. Cook
5. Teacher Associate
6. Bus Driver
7. Library Clerk
8. Mechanic

F. RECALL

1. If there is a vacancy in a unit position, laid off employees will be recalled to the job classification from which reduced, with the most senior being recalled first.
2. Notice of recall will be given by mail to the last address given to the District by the employee. A copy of the notice of recall will be given to the Association. If an employee fails to respond within ten (10) days from date of mailing of the above notice of recall, the employee will be deemed to have refused the position offered.
3. An employee who is laid off will remain on the recall list for one (1) year after the effective date of layoff unless the employee waives recall rights in writing.

ARTICLE XVII - DISMISSAL

Dismissal, as opposed to layoff or non-renewal, shall include the following procedures:

A. Notice

An employee who receives notice of recommendation for dismissal may request a Board hearing within three (3) days of receipt of notice. The notice shall contain a statement of the reasons for dismissal.

B. Hearing and Decision

The Board will schedule a hearing no sooner than five (5) days after receipt of notice and no later than thirty (30) days after receipt of notice. The Board shall issue its decision within five (5) days of hearing.

ARTICLE XVIII - PERSONNEL FILE REVIEW

- A. Each employee shall have the right at any time to review the non-confidential contents of his/her personnel file. A representative of the Association, at the employee's request, may accompany the employee in this review.
- B. Any complaints directed toward an employee which are placed in his/her file are to be called to the employee's attention in writing.
- C. The employee shall have the right to reproduce any of the contents of his/her file at his/her expense.

ARTICLE XIX - GRIEVANCE PROCEDURE

A. Definition

- 1. A grievance shall mean a claim by an employee that there has been a violation, misinterpretation, or misapplication of any of the provisions of this Agreement. All items contained in the general handbooks pertaining to the individual buildings will be grievable only to the fourth step of the following procedure and a decision at that level by the Superintendent will be final.
- 2. "Days" shall mean calendar days, except as otherwise indicated. The failure of an employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal and the District's failure to grant a decision within the time limits shall give the grievant the right to appeal the grievance to the next level of the procedure.

B. Rights and Limitations

- 1. Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures. The Association shall have the right to file a grievance on behalf of a group of named employees. This procedure would be initiated at the third step of the grievance procedure in the form of a written grievance.
- 2. A grievant may be represented at all pre-arbitration stages of the grievance procedure by himself/herself, or, at his/her option, by an Association representative selected by the grievant. If the aggrieved party is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
- 3. It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or any staff.
- 4. If the employee or the Association files any claim or complaint in any form or forum other than under the grievance procedure of this Agreement, then the District shall not be required to process the same or similar claim or set of facts through the grievance procedures.

C. Procedures

1. First Step

The parties in interest acknowledge that it is usually more desirable for an employee and his/her immediately involved supervisor to resolve difficulties through free and informal communication. Within seven (7) days of the violation, misinterpretation, or misapplication the grievant shall meet with the immediate supervisor for the purpose of resolving the grievance informally.

Because some support staff members have more than one supervisor, an additional procedure may be followed to insure inclusion of all levels of supervision, excluding the Superintendent, prior to the second step. In this case the grievant shall visit with their other supervisor(s) in order to resolve the grievance informally.

2. Second Step

If the grievant is not satisfied with the disposition of his/her grievance at the first step, then he/she may file a written grievance (Appendix A) within seven (7) days after the first step meeting. The immediate supervisor shall respond in writing within seven (7) days to the grievant, copy to the Superintendent. Such answer shall include the reason for which the decision was made.

3. Third Step

If the grievance cannot be resolved at the second step, the grievant shall, within seven (7) days of his/her receipt of the second step response from the supervisor, or at the end of the time line for the response, present a copy of the grievance to the Superintendent, his/her designee or secretary. Within seven (7) days after such grievance is filed with the Superintendent, the grievant, an Association representative and the Superintendent or his/her designee shall meet to discuss the grievance and attempt to resolve it informally. The Superintendent or his/her designee shall submit a written response to the grievant within fourteen (14) days of this meeting.

4. Fourth Step - Binding Arbitration

- a. Within fourteen days of the Superintendent's written response, if the grievant is not satisfied with the disposition of his/her grievance at the third step, or if no decision has been rendered within fourteen (14) days after he/she has first met with the Superintendent, he/she may request in writing that the Association submit his/her grievance to arbitration. If the Association determines the grievance has merit, it may, by written notice to the Superintendent within twenty-one (21) days after the Superintendent's written response, submit the response to binding arbitration.
- b. Within ten (10) days after written notice to the Superintendent of submission to arbitration, the Superintendent and the Association shall attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator or to obtain a commitment from an arbitrator within the specified period, a written request for a list of arbitrators shall be made to the Federal Mediation and Conciliation Services by either party. The list shall consist of the names of five (5) arbitrators and the party that is requesting the grievance arbitration shall remove the first name from the list. Within seven (7) days

after receipt of such panel of arbitrators the parties will meet to select the sole arbitrator at one meeting. The person whose name remains shall be the sole arbitrator.

- c. The arbitrator selected will confer with the representative of the District and the Association and hold hearings promptly and will issue his/her decision not later than thirty (30) days from the date of the close of the hearing, or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator, in his opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented in writing by the District and the Association and the decision must be based solely and only upon the arbitrator's interpretation of the meaning or application of the express relevant language of the Agreement. The decision of the arbitrator will be binding.

- d. The costs for the services of the arbitrator will be borne equally by the District and the Association.

D. No Reprisals

No reprisals will be taken by the District against any employee because of his/her participation in the grievance procedure.

ARTICLE XX - COMPLIANCE CLAUSES AND DURATION

A. Compliance Between Individual Contracts and Comprehensive Agreement

This Agreement constitutes the comprehensive agreement between the parties. Any individual contract between the Employer and the Employee shall be consistent with the terms and conditions of this Agreement.

B. Separability

If any provision of this Agreement is determined to be contrary to law, then such provision shall not be valid or enforceable but all other provisions of this Agreement shall remain in full force and effect.

C. Duration Period

This Agreement shall become effective July 1, 2006, and shall continue in effect until the 30th day of June, 2007. Either party also has the option of opening one other article for bargaining by January 31 of 2007, and any new legislation may also be considered for bargaining.

D. Signature Clause

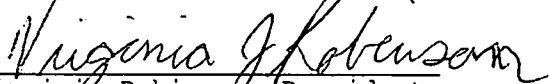

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective presidents, attested by their respective chief negotiators and their signatures placed thereon.
